*NAZHA CANCER CENTER  
OUR FINANCIAL POLICY*

Thank you for choosing Nazha Cancer Center as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy, which we require you read, and sign prior to any treatment. All patients must complete our Information and Insurance form before seeing the doctor.

FULL PAYMENT IS DUE AT TIME OF SERVICE, if you do not have any insurance. Payment may be made by cash or check.

*Regarding Insurance:* We accept assignment of insurance benefits. You are responsible for any co-pays, co-insurance and deductibles and for payment of any non-paid amounts as per your insurance company. We cannot bill your insurance company unless you give us your insurance information. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. Regarding Insurance Plans where we are a participating provider, all co-pays are due prior to treatment. In the event that your insurance coverage changes to a plan where we are not a participating provider, please refer to the above paragraph. If your insurance company does not cover the nature of your medical problem you are responsible for payment of bills related to that non-covered medical problem. You are responsible for informing the office immediately upon enrolling in a hospice program or skilled nursing facility, due to the fact that entering these programs causes payment denials for office visits and procedures. You will be responsible for any denied claims stemming from not informing us of your enrollment in these programs.

If your insurance company requires you to obtain a referral from your primary care physician in order to see the Specialist, please follow the following procedures to avoid non-payment of your bill by your insurance company.

1. The patient is responsible for obtaining any necessary referrals before the Specialist may see you as a patient.
2. As per your insurance company, if you do not have the proper referral when you go to a Specialist appointment, we must reschedule your appointment since your insurer will deny payment on all claims not having a proper referral.
3. The patient is always responsible for keeping track of how many visits to a Specialist each referral will cover. New updated referral and the obtaining thereof is always the patient's responsibility.
4. Please have your referral sent, faxed or brought to the office with you at time of visit.

*Missed Appointments:* Please notify us if you are unable to keep your appointment. Please help us serve you better by keeping scheduled appointments.

Thank you for understanding our Financial Policy. Please understand that we are abiding by the rules and regulations of your insurance company. Please let us know if you have questions or concerns.

I have read the Financial Policy. I understand and agree to this Financial Policy:
